## It's just like coming home

A visit to Orangeville is infused with the welcoming spirit of those who call this town home. You'll find historic streetscapes and lush landscapes that set the scene for first-rate culinary offerings and delightful displays of creativity. A unique selection of shops and studios fills the downtown district, surrounded by striking architecture that tells a 160-year-old story. Colourful public art, award-winning events, and a professional theatre company attract high calibre artists, performers, and audiences.

Our vibrant community also serves as a gateway to wide-open spaces, stunning natural features, and flourishing farmland. It's the perfect starting point for your outdoor adventures in Dufferin County.

Here is a glimpse of what Orangeville has to offer. We can't wait to show you more.

We would like to acknowledge the treaty lands and territory of the Williams Treaty Nations and the Mississaugas of the Credit First Nation. We also recognize that Dufferin County is the traditional territory of the Wendat and the Haudenosaunee, and is home to many Indigenous people today.

## Enjoy every season

The natural landscapes in and around Orangeville offer scenic views and varied ways to experience the great outdoors. Over 20 kilometres of multi-use trails create connections between our community's parks, neighbourhoods, and public spaces. On the Town's northeast corner, Island Lake Conservation Area is a four-season outdoor oasis with over 800 acres of lake, wetland, and forest. Don't miss the park's signature lakeside loop, an accessible eight-kilometre route that features expansive boardwalks and dynamic views.

Beyond our borders, Orangeville's appeal is enhanced by the natural beauty of the surrounding area. The Bruce Trail is just one of many routes that ramble through provincial parks, conservation areas, and the stunning Niagara Escarpment. Hiking, cycling, golfing, and skiing are just a few of the activities available for outdoor enthusiasts.
